**REACH Declaration of Conformity**

Date: 13 January 2020

In compliance with Regulation (EC) 1907/2006 of the European Parliament and of the Council of 18th December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).

H2 Compliance has been appointed to act as the Only Representative for:

Biosynthetic Technologies LLC Contact

Person: Jakob Bredsguard Contact

Email: jakeb@biosynthetic.com

In Annex I to this document, you will find the list of products that Biosynthetic Technologies LLC places on the EU market.

H2 Compliance confirms that the constituents present in these products meet at least one of the following criteria:

- Constituent has been registered under the REACH regulation
- Constituent is exempt from Registration in accordance with Annex IV/V of the REACH regulation
- Constituent is not placed on the EU market in quantities of 1 metric tonne or greater per annum
- Constituent is covered by an upstream supplier through an Indirect Supply Agreement (or equivalent)

H2 Compliance also confirms that none of these products contain any substances on the European Chemicals Agency Candidate List of Substances of Very High Concern for Authorisation.

Furthermore we can confirm that we have met and will continue to meet all REACH obligations to ensure that this product is fully compliant with the REACH regulation.

This certificate is valid for 1 year from the date of issue.

If you have any questions regarding this submission, please contact H2 Compliance at +353-21-4868120 or via e-mail at info@h2compliance.com.
